

EXPANDING YOUR HORIZONS IN SCIENCE AND MATH

Expanding Your Horizons in Science and Mathematics™ (EYH) conferences are designed to nurture girls' interest in science and math courses and encourage them to consider science and math career options — such as engineering, computer science and physical science. Three conferences are offered in the East Bay and San Joaquin County areas. For other California conference locations, refer to the national EYH Website.

San Joaquin County EYH Conference Saturday, Oct. 7, 2006

Middle School and High School Girls

University of the Pacific, Stockton

<http://education.llnl.gov/eyh>
